

# My Coin Sorting Graph

Look at all the coins the piggy bank has!  
Will you help sort all of the different coins?  
Cut out the coins on this page and paste  
them in the correct column on the graph  
on the next page.

A large cloud-shaped area containing a 3x5 grid of dashed lines for sorting coins. A scissors icon is in the top-left corner of the grid. The grid contains the following coins:
