

Name _____

Hunt for Nickels!

5¢

Directions: Help the girl find the nickels. Color all the nickels you find along the path until you reach the piggy bank. Then count and write the number of nickels at the bottom

start

A path of 28 nickels is scattered across the page. The path starts at the girl and ends at a piggy bank. The nickels are arranged in a sequence that winds through the page. The piggy bank is a pig-shaped container with a grid pattern and a coin slot on top.
