

Situation 5

Candice has a headache from stress. She knows that her boss is not going to be at work today, but there is a lot of work that she could do without the boss there. Should she use a sick day?

Yes No

Situation 6

Rico hurt his hand in a baseball game last night, and it hurts, but he thinks that taking some aspirin will help. He found out that he will get a \$25 bonus if he has perfect attendance for the month. Should he use a sick day?

Yes No
