

Superstar

Count the stars in each group. Write the number in the box. Write the sum in the last box.

1 teal star above a box, followed by a plus sign, 5 teal stars above a box, followed by an equals sign, and 6 teal stars above a box.

$$\square + \square = \square$$

4 pink stars above a box, followed by a plus sign, 3 pink stars above a box, followed by an equals sign, and 7 pink stars above a box.

$$\square + \square = \square$$

6 yellow stars above a box, followed by a plus sign, 2 yellow stars above a box, followed by an equals sign, and 8 yellow stars above a box.

$$\square + \square = \square$$

5 orange stars above a box, followed by a plus sign, 4 orange stars above a box, followed by an equals sign, and 9 orange stars above a box.

$$\square + \square = \square$$
